**Good Practice**  
Men come in different shapes and sizes. Offer a variety of condoms, particularly to young people to encourage condom use. Offer sachets of lubrication ("lube") to reduce risk of breakage

**Consider:**  
In-house fast track system if sole method of contraception for user to obtain larger numbers at a time

**Good Practice**  
Opportunity to raise:  
• sexual health advice and risk assessment  
• if used for contraception there are more reliable methods
